

## THAT'S WHO WE ARE

The APEX Group with its headquarters in Rostock-Laage is one of the pioneers of climate-neutral energy supply and a driver of the global energy transition with its innovative solutions. APEX Group employees focus on project engineering, planning, funding and construction as well as operation of customized hydrogen energy solutions accomplishing great things every day to drive our innovative strength. To make green energy available to all of us at any time and any place in a reliable and CO2-neutral way, we need a strong and committed team. That's why we're looking for experts to support our team with their know-how in the continuous development of our products. We look Forward to hearing from you!

### **IT SYSTEM ADMINISTRATOR / IT SPECIALIST FOR SYSTEM INTEGRATION (M/F/D) – FULL-TIME**
